### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Based on the decision of the board of patents appeals and interferences at page 4, filed 8/17/2005, claims 18 and 20 are allowed.

The closest prior art, Fukatsu et al (US 5,576,724) and Kadomuki et al (JP 2-227340), single or combination, fail to teach or suggest that the control arrangement selects an appropriate fill pattern for the heads-up display dependent upon the texture of the environment image in order to contrast the heads-up display relative to the environmental image. These distinct features have been added to the independent claims 18 and 20 and render the above limitations allowable and along with other limitations as recited in the independent claims 18 and 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
